

# INTERIOR DESIGN<sup>®</sup>

MARCH  
2011

*the positivity issue*  
heavenly

"We considered this home-textiles company our partner in the process, and that trust led to exploration and, ultimately, improved work conditions."

## MKDA

**project** Springs Global, New York.

**square feet** 32,000.

**completion** April.

## Studio O+A

**project** AOL, Palo Alto, California. "An AOL executive told us that our design was a game-changer for the company—it's satisfying when our work helps clients accomplish their business objectives."

**square feet** 75,000.

**completion** December 2010.

**positivityissue**  
STORY

"This is one of several high-profile recent projects we've won through competitions, which challenged us to look at architecture and interiors as one continuum."

## Hickok Cole Architects

**project** Center for Strategic and International Studies, Washington.

**square feet** 130,000.

**completion** 2013. ➤
